

# Why Choose XPS

We remanufacture only genuine OEM empty cores, eliminating the risk of patent infringement associated with new-build cartridges. Our test procedures are according to the highest quality standards to reach or exceed OEM quality. We deliver cartridges of first-class quality at highly competitive prices.

- Extensive product range from all major OEM brands.
- Centralised R&D, specialising in colour products.
- Short time to market for newly-launched OEM models.
- Jumbo/High Capacity cartridges for MPS programs.
- No own XPS brand means no friction with your sales channels.
- We supply white or full colour generic boxes, or your own private label packaging.
